SUMMARY

Aerospace Engineering graduate with a strong foundation in CFD, thermal, and structural analysis, with practical experience in engineering simulation tools. Passionate about applying simulation and design optimization to solve complex aerospace challenges.

WORK EXPERIENCE

Projects

Thermal Performance Analysis of an Automobile Radiator Using Nanofluids
- Performed CFD simulations to evaluate heat transfer enhancement using nanofluids
- Compared thermal performance under varying flow and temperature condition

CFD Analysis of Jet Impingement on Deflector Configurations
- Simulated high-velocity jet impingement using ANSYS Fluent
- Analyzed pressure, velocity, and temperature distribution across deflector designs

Thermal and Structural Analysis of SATCOM Radome
- Performed thermal and stress analysis using ANSYS simulation tools
- Evaluated radome performance under thermal and mechanical loads

Manufacturing and Subsonic Wind Tunnel Testing of a NACA 64-212 Airfoil
- Fabricated NACA 64-212 airfoil model and conducted subsonic wind tunnel testing
- Measured lift and drag characteristics and analyzed aerodynamic performance

Automated Crack Detection in Visual Inspection Images using Inverse Color Grading
- Developed crack detection approach using Python-based image processing
- Applied inverse color grading for defect identification

Internships

- Rocket Propulsion Internship (Brahmastra Aerospace Systems)
- Drone Pilot Internship (Garuda Aerospace)
- Drone design Internship (Brahmastra Aerospace Systems)
- CFD and Thermal Analysis for Aerospace Communication Systems (CABS,DRDO)

EDUCATION

School

- St. Joseph's Matric Hr. Sec. School **2008-2022**

Bachelor of Technology

- Karunya Institute of Technology and Sciences **2022-2026**

SKILLS

- CAD: AutoCAD, CATIA, SolidWorks, Fusion 360
- Simulation: ANSYS Workbench, ANSYS Fluent, APDL
- Core Areas: Computational Fluid Dynamics (CFD), Heat Transfer, Structural Analysis, Aerospace Propulsion
- Programming: Python (Fundamentals)
- Tools: Power BI, Microsoft Excel
- Other: RPA (UiPath), Video Editing
